Dear Members,

The HKPS will have our annual Autumn Function on Sunday 23rd October this year. Starting out as a collection of fishing villages, Hong Kong has now turned into a modern, bustling and highly dynamic city. This year, we want to take you to Lamma Island where we will visit the Lamma Fisherfolk’s Village to learn all about Hong Kong’s marine fish culture and the fishing industry. The Village includes an authentic fishing junk, traditional dragon boats, displays, themed folklore booths, fishing rafts and dwellings. Our children can learn and appreciate the heritage and living culture of this Hong Kong fishing community through interactive games and demonstrations. They can get to feel the tension and vibration of the fishing rod in funny hookless fishing and have the chance to make salted fish themselves. We will then enjoy a scrumptious Chinese seafood lunch at the famous Rainbow Seafood Restaurant. After lunch, we will visit Sok Kwu Wan and the Tin Hau Temple and take a relaxing walk along the popular Family Trail to Yung Shue Wan. We will also visit the famous Lamma Winds Turbine before travelling back to Central.

- 認識香港海洋資源、海岸公園及海洋保育
