HKPS Autumn Function 2013

Exploration tour of ecology in Hoi Ha Wan Marine Park and Tsiu Hang Nature Education Center

海下灣，蕉坑自然教育中心生態之旅

20th October 2013 (Sunday)

Dear Members,

This year, the Hong Kong Paediatric Society will have our annual Autumn Function on Sunday 20th October 2013 and we will be exploring the ecology in Hoi Ha Wan Marine Park (海下灣) and Tsiu Hang Nature Education Center (蕉坑自然教育中心).

Hoi Ha Wan Marine Park (海下灣) is one of the first batch of Marine Parks established in Hong Kong. It was designated on 5 July 1996. Hoi Ha Wan Marine Park is a sheltered bay located north of the Sai Kung West Country Park. It covers an area of about 260 hectares. The seaward boundary is demarcated by linking the tips of Heung Lo Kok and Kwun Tsoi Kok through the northern end of Flat Island (Ngan Chau) and Moon Island (Mo Chau). The landward boundary largely follows the high water mark along the coastline.

Lions Nature Education Centre is situated at Tsiu Hang (蕉坑) Special Area, Sai Kung. The 16-hectare Centre consists of five exhibition halls and some outdoor featured zones. The Centre promotes nature education, field studies and eco-tours for schools, organizations and the public. It is a fascinating place equally suitable for adults and families.

Remarks:

Please prepare enough water, sun block, rain gears. Please wear casual sportswear and sports shoes.

The fee for members and their immediate family members will be HK$150 per head. For non-members, the fee is HK$200 for each person (same price of adult and child). Insurance of $100,000 for accidental death and disablement and $1000 for accidental medical expenses (per accidental limit) are covered. Newborns less than 6 weeks old and elderly older than 85 years old are not insured.

The autumn function will be postponed to a later date if typhoon signal No. 3 or above, or Black Rainstorm Warning is hoisted within 2 hours of the scheduled start time. Similarly if the typhoon signal No. 3 or Black Rainstorm Warning is cancelled 2 hours before the scheduled start time, then the autumn function will be held as planned.

For those who would like to join us for an educational and fun family day, please return the reply slip with payment for reservation before 30th September 2013.
