Professional Forum on Child Health 2018
Critical Appraisal on the Seasonal Flu 2018

The recent upsurge of seasonal Flu cases in children contracted with influenza B resulting in serious complications have drawn much public concern.
There are still lots of myths regarding Flu vaccine and use of Tamiflu.
This Professional Forum will provide us a platform to review the recent epidemiology, the science and the clinical practice in Hong Kong.

Date: 1st Mar 2018 (Thursday)
Time: 8:00pm – 10:30pm
Venue: Seminar Room 2, G/F, M Block, Queen Elizabeth Hospital, Kowloon
Chairman: Dr. CHAN Chok Wan, Chairman, The Hong Kong Paediatric Foundation
