2011 Roche "Meet The Scientists" Award

Sponsored by Roche Diagnostics (HK) Limited

Main Objectives:

- To support member(s) of HKSCC to attend and present in international scientific conferences in the field of Clinical Chemistry.
- To promote professional interests and advancement, and to facilitate scientific exchange between local and overseas professionals.

Award Conditions:

- Both individual and group applications are accepted. All applicants must be a Fellow, Ordinary or Associate member of HKSCC, with at least 2 years of membership prior to the application date.
- The Award must be used within one year from the date of application. Retrospective applications will not be considered.
- The Grant should not be spent with any other sources of financial support for attending the same conference.
- The level of support is entirely at the discretion of the Grants and Award Committee (GAC), and within the funding allotted for the purpose.
- Successful candidate(s) will receive an award of *up to* HK\$28,000, accompanied by engraved plaque(s) to be presented at the Annual General Meeting of HKSCC.
- Successful candidate(s) must use a portion of the grant to purchase short term medical and life insurance that covers the entire duration of the sponsored activity.
- Successful candidate(s) must submit an electronic copy of a conference report detailing his/her participation and activities in the conference within one month after attending the conference.
- Monies will be remitted on reimbursement basis, after completion of all specified requirements.
- Application is OPEN at all times until the sponsorship is exhausted.
- Each application would be considered and judged independently for both the eligibility and the amount to be granted.

Selection Criteria:

- Recipient(s) of the Award shall be chosen by the GAC based on the selection criteria and result of interview with eligible applicants if applicable.
- Preference will be given to Fellow / Ordinary member(s) of HKSCC.
- Preference will be given to member(s) with consistent and active participation in the society's continuous education activities.
- Preference will be given to member who has never been to an overseas scientific conference in Clinical Chemistry.
- The Award may be granted to one successful group application; or one or more individual applicants at the discretion of the GAC.
- The decision of the GAC is final.
