

Hong Kong Society of Clinical Chemistry

Annual Scientific Meeting and 8th Annual General Meeting

Date: 19th January 2008 (Saturday)
Time: 1:30 - 9:30 pm
Venue: Pacific Rooms, 9/F, Royal Pacific Hotel
China Hong Kong City, 33 Canton Road, Tsim Sha Tsui

“Recent Advances in Laboratory Techniques for Cancer Diagnostics”

- | | |
|----------------|--|
| 1:30 – 2:30 pm | Registration and Industrial Exhibition |
| 2:30 – 2:40 pm | Opening Remarks
<i>Dr Joseph Lee, President, HKSCC</i> |
| 2:40 – 3:20 pm | Origin and Diagnostic Promise of Tumor-specific Serum Peptidome Patterns
<i>Prof Paul Tempst, Memorial Sloan-Kettering Cancer Centre, USA</i> |
| 3:20 – 4:00 pm | Application of Glycomics and Glycoproteomics to the Discovery of Biomarkers for Liver Cancer
<i>Prof Terence Poon, The Chinese University of Hong Kong</i> |
| 4:00 – 4:30 pm | Coffee Break and Industrial Exhibition |
| 4:30 – 5:10 pm | Prognostic and Predictive Factors in Breast Cancer
<i>Prof Marc van de Vijver, Netherlands Cancer Institute, Netherlands</i> |
| 5:10 – 5.50 pm | A Promising Technology in Circulating Tumor Cells Detection
<i>Prof Cesar Wong, The Chinese University of Hong Kong</i> |
| 6:00 – 7:00 pm | 8th Annual General Meeting |
| 7:00 – 9:30 pm | Chinese Banquet (Imperial Rooms, Mezzanine Floor, Towers Wing) |

Chairman: *Prof Allen Chan, The Chinese University of Hong Kong*

Members and Guests 

Activity 15080011 for 2.5 CPD credit points are provided by the Hong Kong Society of Clinical Chemistry, which is accredited as a provider of continuing professional development of the Medical Laboratory Technologists Board.
